REPLY TO NOTICE TO FILE MISSING REQUIREMENTS

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In reply to the Notice to File Missing Requirements mailed September 8, 2005, Applicants now provide the enclosed Declaration for Patent Application, as well as a copy of the Sequence Listing in computer-readable form and Statement regarding the same. Further, a Petition for a Two Month Extension of Time, to extend the time for reply through January 8, 2006, is submitted herewith, along with a Fee Transmittal authorizing that the appropriate fees be charged to our Deposit Account.

Although Applicants are again submitting a computer-readable copy of the Sequence Listing (identical to that already submitted during the international phase in the U.S. Receiving Office), it is Applicants' position that the computer-readable copy already filed was fully compliant with all requirements. In fact, the previously submitted copy was not noted as deficient in any respect during the international examination. Nonetheless, a new copy and Statement regarding the identity of the present copy with that previously submitted are submitted herewith for the sake of expediency.

It is believed that the Declaration, computer-readable copy of the Sequence Listing, Statement Regarding Sequence Listing, Petition for Extension of Time, and Fee Transmittal constitute a full and complete reply to the Notice to File Missing Requirements under 37 C.F.R. § 371 mailed September 8, 2005.

The Office is invited to contact Applicants' undersigned representative using the information provided below with any questions or comments regarding this Reply.

Respectfully submitted,

Date: Jan 6, 2006
